

Update – Closure of Weedons Ross Road

The CSM2 Project team is working towards the phased switch of traffic onto parts of the new SH1 northbound lanes, between Rolleston and Robinsons Road. Depending on the weather, on Wednesday 4 July 2018, north-bound access from SH1 to Weedons Ross Road will be moved to the new off-ramp. Access to the new off-ramp is approximately 400m south of the current Weedons Ross Road/Main South Road intersection.

**Follow the arrows
and take the new
off-ramp to travel
towards Weedons
Ross Road/Jones
Road**

When the remaining part of the roundabout is completed, access northbound to SH1 from Weedons Ross Road will be via the new on-ramp of the interchange.

Further changes will be made to the traffic management as the work progresses. Please be alert to these changes, follow all on-site signage and drive to the conditions.

We will continue to update you with further information with regards to the phased switch of traffic around the Weedons interchange area.

Regards, The Downer McConnell Dowell Joint Venture Team
